

## Caregiver Connections' Mission

*Caregiver Connections promotes the social-emotional health of young children and families by strengthening the knowledge and competencies of early childhood teachers and caregivers.*

## Caregiver Connections' Values

- We believe social-emotional competence is key to all learning and life success.
- We believe in the importance of ongoing relationships.
- We believe in serving as a resource to providers, families, and communities.
- We believe in partnership with families, providers, and communities.
- We strive to be relationship-based, collaborative, community-based, and strengths-based.

## Caregiver Connections' Goals

- To increase the knowledge of early childhood teachers and caregivers regarding social and emotional development
- To increase the competencies of early childhood teachers and caregivers regarding social and emotional development
- To increase the retention and stability of young children in child care
- To help families access the community services they need to ensure their positive mental health

*Caregiver Connections at Illinois Action for Children is funded by the Illinois Department of Human Services.*
