

CAREGIVER CONNECTIONS

Our Mission

Caregiver Connections increases the knowledge and competencies of early childhood teachers and caregivers to promote the social-emotional health of young children and families.

Our Values

We believe Social-Emotional Competence is key to all learning and life success

We believe in the importance of ongoing Relationships

We believe in serving as a Resource to providers, families, and the community

We believe in Partnership with families, providers and the community

We strive to be: Relationship-Based, Collaborative, Community-Based, Strengths-Based

Our Goals

To increase the knowledge of early childhood teachers and caregivers re: social and emotional development of young children

To increase the competencies of early childhood teachers and caregivers re: social and emotional development of young children

To increase the retention and stability of young children in child care

To promote mental health by helping families access community resources
